Type of Problem:	
-------------------------	--

Detailed problem description: (attach: screen shot, photo, etc.)

Test/ actions already performed:
Physical status and location of drone, description and photos
Logs files > BB3 from the drone. BB3 from the computer if from drone is not possible to recover - Use wetransfer.com and copy here the link

Please include in shipping for repair for drone repair:

UAV main body with canopy for camera and battery
 USB modem with antenna
 RC Controller

Please note any other items shipped:

- 1.
- 2.
- 3.
- 4.

Do not ship batteries if not required for warranty. If you are shipping batteries for warranty purposes, label the shipment with Lithium battery sticker on the outside of the box and ship it only ground.

To protect the UAV we recommend shipping the unit in the original box with cardboard box as protection

For “Always On” service package shipping, return parts in packaging the refurbished/replacement product was shipped to you and return shipping directly to senseFly.
